

Hunt for Clues!

Whether you are looking for a birthday party idea, girls' night out event or a team building experience, we have a hunt to fit your needs. Our clue based hunt provides entertaining and sometimes silly clues to lead you through an evening of fun and adventure, and personalize it all! We make it fun and SIMPLE for you! Suitable for ALL ages.

You complete an interest survey about the event or person we are celebrating. We take that information and create a one of a kind hunt just for you!

We meet you and your group to start and provide your FIRST clue! We will have planted clues at other locations and included favorite places or people into the evening. Don't worry, if you get stuck, our staff is a phone call or text away, but you probably won't need it!

"We had an amazing time at my son's 9th birthday party! Each stop was catered to what he loved, there were treats along the way, the kids had a BLAST, and the best part is I didn't have to do a thing!!!!!! All details were taken care of, even a reservation for our final restaurant stop! Do it, you'll be glad you did!!" - Liz M
